1. About the Library

Green Valley College Library supports the teaching, learning and research needs of students, faculty and staff. The library holds more than 40,000 printed books, 120 print journals and access to over 15 online research databases.

The library is located on the ground and first floor of the Academic Block. The ground floor has the circulation desk, reference section and reading hall. The first floor has the research section, computer lab and two group discussion rooms.

All registered students and employees of the college are automatically members of the library. Membership becomes active once the student ID card is issued. Alumni and visitors may use the library for reading only, with written permission from the Chief Librarian.

2. Library Timings

During the semester, the library is open from 8:00 AM to 8:00 PM, Monday to Friday, and from 9:00 AM to 5:00 PM on Saturday. The library is closed on Sundays and on public holidays.

During examination weeks, the reading hall stays open until 10:00 PM, Monday to Saturday. During summer and winter vacations, the library is open from 9:00 AM to 3:00 PM, Monday to Friday only.

The circulation desk stops issuing and returning books 30 minutes before the library closes.

3. Borrowing Rules

Undergraduate students may borrow up to 3 books at a time. Postgraduate students may borrow up to 5 books. Faculty members may borrow up to 10 books.

Undergraduate and postgraduate students can keep a book for 14 days. Faculty members can keep a book for one semester. A book may be renewed twice, either at the circulation desk or through the online catalogue, as long as no other user has placed a hold on it.

Reference books, dictionaries, encyclopaedias, theses and the latest issues of journals cannot be borrowed. They may only be used inside the library. Students must show their ID card every time they borrow a book.

4. Fines and Lost Books

A fine of Rs. 20 per day is charged for each overdue book. For books on the Reserve shelf, which are kept for short loans, the fine is Rs. 50 per hour.

If a book is lost or damaged, the borrower must replace it with a new copy of the same edition, or pay the current price of the book plus a processing fee of Rs. 300.

Students with unpaid fines of more than Rs. 500 cannot borrow new books. Students must clear all library dues before receiving their degree or clearance certificate.

5. Digital Resources

Students and faculty can access e-books, e-journals and research databases from inside the campus and from home. To log in from home, use your college email address and password through the library's remote access page.

Available databases include HEC Digital Library resources, a medical database, and an open-access journal portal. Database passwords must never be shared with other people.

The library runs an online catalogue (OPAC) where users can search for books, check whether a book is available, renew their loans and place a hold on books that are already issued.

6. Library Services

Reference service: Library staff help users find information, use the catalogue and search the databases. Users can ask at the reference desk or send an email to the library.

Plagiarism check: Final-year students and faculty can get their thesis or research paper checked with Turnitin. Requests must be submitted through the supervisor at least 7 days before the submission deadline.

Training: Every semester the library holds free workshops on searching databases, citation tools such as Mendeley and EndNote, and avoiding plagiarism. New students attend a library orientation session in their first month.

Printing and photocopying: Printing is available in the computer lab at Rs. 10 per page for black and white and Rs. 30 per page for colour. Photocopying of up to 10 percent of a book is allowed for study purposes.

7. Code of Conduct

Silence must be kept in the reading hall and the research section. Mobile phones must be on silent mode, and phone calls are not allowed inside the library. Group study is allowed only in the group discussion rooms, which can be booked for two hours at the circulation desk.

Food is not allowed inside the library. Water in a closed bottle is allowed. Bags must be kept at the bag counter near the entrance.

Users must not mark, underline or tear library books. Any damage will be treated as a lost book under the fines policy.

8. Contact

For questions, users can visit the circulation desk or contact the library office by email at library@greenvalley.example or by phone at extension 214 during library hours.

Suggestions for new books can be submitted through the suggestion box at the entrance or by email. The library reviews purchase suggestions at the start of every semester.
